

# Atlanta Puppetry Guild

*chartered by Puppeteers of America, Inc.,  
is a group of artists, educators, librarians, hobbyists, professionals,  
and everyday people devoted to preserving and encouraging the  
art of puppetry through social functions, innovative workshops,  
and regional and national puppetry festivals.*

Meetings are held at least four times a year, usually at the Center for Puppetry Arts in midtown Atlanta. We typically have a guest speaker or visiting artist, "show & tell," and potluck snacks. Occasional activities include informal gatherings with out-of-town puppeteers, participation in World Puppetry Day on or near March 21, and Puppet Palooza, a fundraiser for scholarships. Members:

- Receive notification of meetings and local puppetry events via e-mail ([apg-announce@googlegroups.com](mailto:apg-announce@googlegroups.com)) and Facebook
- Can communicate with other members ([apg-discussions@googlegroups.com](mailto:apg-discussions@googlegroups.com))
- May have a member page listing on our website ([www.atlpuppetguild.org](http://www.atlpuppetguild.org))
- Are eligible to apply for a scholarship to help defray costs of attending a puppetry conference or producing a new work
